

OA NYC Revitalizing In-Person Meetings Committee Survey

The Revitalizing In-Person Meetings Committee has created a short survey for OA members in the Greater New York City Metro area. Our goal is to learn from the fellowship about their experience with in-person meetings post-pandemic and to gain insight into the current state of in-person and virtual meeting attendance. The survey results are confidential and anonymous.

Please use go to bit.ly/3Q2JVJe to complete the survey or click [HERE](#) for a pdf that can be downloaded and distributed. We encourage you to share this survey with fellows who live in the Greater New York City Metro Area and attend meetings in-person and/or virtually, and to share during the announcements at meetings you attend.

Thank you for taking the time to fill out the survey and thank you for being part of the OA NYC fellowship!
